Public and Private Employment

1/2005-present: ***Roxanne Rae, MSW, LCSW, BCD, Private Practice***, Ashland, OR.

Provide psychotherapy for children and adults with a wide variety of presenting problems, with a focus on childhood trauma and medical issues. Employ assorted treatment approaches, including: expressive arts techniques, cognitive behavioral therapies, relationally based psychotherapies, and other evidence-informed methods.

6/2012-12/2013?: ***Psychiatric Day Treatment Therapist, Family Solutions***, Ashland, OR.

(Formerly: Southern Oregon Child Study and Treatment Center). As part of an interdisciplinary team, provided intake services, ongoing intensive psychotherapy, and case management to children and families admitted to this service. Participated with families and community partners in ongoing assessment and treatment planning for students (20 hrs./week).

7/2012-11/2012: ***Out Patient Mental Health Therapist, Family Solutions***, Ashland, OR.

Using evidence-based practices, engaged in psychotherapy using a variety of treatment modalities with children and their families who presented a broad range of difficulties. Maintained a focus on childhood trauma and medical issues. Collaborative treatment planning and assessment were used (10 hrs./week).

10/2005-6/2012: ***Out Patient Mental Health Therapist, Family Solutions***, Ashland and Medford, OR.

As described directly above (24 hrs./week).

1/2002-1/2005: ***Roxanne Rae, MSW, LCSW, BCD, Private Practice***, Sacramento, CA.

Provided psychotherapy for children and adults with a wide variety of presenting problems, with a focus on childhood trauma, developmental and medical issues. Employed assorted treatment approaches, including: expressive arts techniques, cognitive behavioral therapies, relationally based psychotherapies, and other evidence-informed methods. Consultation, supervision, and training services also provided.

1/1991-1/2002: ***Behavior Management Consultants, Private Practice***, Sacramento, CA.

Provided psychotherapy for children and adults with a wide variety of presenting problems, including mental disorders and life adjustment issues. Employed assorted treatment approaches including: expressive arts techniques, cognitive behavioral therapies, relationally based psychotherapies, and other evidence-informed methods. Consultation, supervision, and training services also provided. Services were delivered under this corporate umbrella. Sub-specialized in treating severe child abuse, conflicted custody, and illness and disability issues. Also provided consultation, supervision, and training.

8/1986-1/1991: **Roxanne Rae MSW, LCSW, BCD, Private Practice**, Sacramento, CA.

Work as stated in the prior two entries. Specialized in treating severe child abuse and the impact of illness and disability on the family. From February 1987 through August 1987, worked part-time for Mercy Hospital of Sacramento, covering case management and therapy services to hospital in-patients and out-patients, and rehabilitation services at the Easter Seal Society of Sacramento.

1/1981-11/1985: **Clinical Social Worker II**, Pediatric Gastroenterology and Nutrition Center, University of California, Davis Medical Center, Sacramento, CA.

Developed and administered the social work component of this interdisciplinary team.

Created policies and procedures and program goals and objectives. Provided clinical services to both in-patient hospital and out-patient center patients. This work included therapy, education, and coordination of services with multiple community agencies. Participated in clinical research and provided staff education. Developed a similar program for the California Children's Services (CCS) Pediatric Renal Center. Provided coverage to the S.C.A.N. (Suspected Child Abuse Neglect) Clinic, rendering psychological assessment and trauma counseling in the areas of physical, medical, and sexual abuse. Provided clinical coverage to other pediatric CCS clinic and ward patients, including Pediatric Intensive Care Unit; Immunology and Rheumatology; Oncology; Surgery; Pulmonology; Orthopedics, and Endocrinology. Supervised and trained second-year graduate students, third-year medical students, and several volunteers.

1980-1984: **Board of Behavioral Sciences Examiner, State of California, Expert Commissioner**, Sacramento, CA.

Spring 1980; Fall 1980; Spring 1981; Fall 1981, and Spring 1982. Expert Commissioner-Appeal Review: Spring 1983; Fall 1983; Spring 1984 and Fall 1984. Content Expert: Spring 1984.

5/1977- 1/1981: **Social Worker, MSW**, Dependent Foster Home Placement Bureau, Sacramento County Department of Social Welfare, Sacramento, CA.

Developed and maintained a specialized caseload of critically ill, chronically ill and disabled children in foster care. Provided psychotherapy and casework services focused on psychosocial factors related to illness, disability and child abuse, including interventions with biological parents, children and foster or adoptive families. Provided assessment of placement needs, made custody recommendations, and determined appropriate placements. Prepared cases for juvenile court, for legal guardianship, and for adoption procedures. Initiated and participated in case presentations for staff meetings. Provided consultation to colleagues in health related areas, and was responsible for the supervision and training of volunteers and undergraduate social work students. Provided in-service trainings for child welfare staff.

9/1976-6/1977: **Social Worker**, Mt. Diablo Rehabilitation Center, Pleasant Hill, CA (Second-year graduate field placement, unpaid position).

Casework interventions with disabled and chronically ill persons, including play therapy with children. Group work with multiple sclerosis (M.S.) patients and their families and the Independent Living Project. Responsible for community relations with M.S. Society and agency volunteers. Participated in an interdisciplinary team, provided rehabilitation planning and patient advocacy, assessed service needs, and coordinated multiple agency case plans. Facilitated institutional placement for adults. Prepared case presentations for weekly team meetings.

10/1975-8/1976: ***Social Service Worker Trainee***, Sacramento County Department of Social Welfare, Sacramento, CA (First-year graduate field placement, paid position).

Assigned to Dependent Foster Home Placement. Provided services as described above under Social Worker, MSW, at an entry-skill level. Caseload was limited in size and closely supervised.

3/1973-9/1975: ***Family Service Worker, In-Home Supportive Services (IHSS)/ Adult Protective Service Worker, Family Planning Worker***, Sacramento County Department of Social Welfare, Sacramento, CA.

Assessed the ability of aged and disabled persons to live independently, the need for in-home supportive services, and determination of eligibility for the IHSS program. Casework provided to terminally and chronically ill persons and their families and AFDC families. Group work in adult protective services. Identified unmet service needs and linked clients to services. Developed community resources, determined case plans, and coordinated all health related services, including discharge planning and follow-up care. As Family Planning Worker, answered "Pregnancy Crisis Line" and developed workshops to train volunteers. As volunteer coordinator and supervisor of volunteers, served on agency-community committees and did other public relations for the Health Department/Welfare Department Teen Clinic.

Supervision and Consultation

2005-present: ***Private Practice***, Ashland, OR. Supply clinical consultation and supervision to licensed therapists from Oregon and California bringing a variety of clinical issues. Since 2012 provide licensure supervision to LCSW and LPC candidates.

May 2014-July 2016: ***Private Practice***, Medford, OR. Provide clinical supervision for therapy staff at Hearts with a Mission (HWAM) (contract position).

April-July 2014: ***Private Practice***, Ashland, OR. Supplied clinical supervision and quality assurance consultation for Community Works mental health and behavioral health staff (short term, contract position). Medford and Ashland sites.

2002-2004: ***Volunteers in Victim Assistance (VIVA), Staff Clinical Supervisor***, Sacramento, CA. Directed weekly clinical supervision meetings for MFT interns and trainees providing therapy to crime victims. This work included periodic individual supervision and formal written evaluations (contract position).

1995-2004: ***Private Practice***, Sacramento, CA. Directed a bi-weekly clinical consultation and supervision group for licensed therapists focused on Sandtray, expressive arts, and play therapies.

1995-2004: ***Private Practice***, Sacramento, CA. Provided individual clinical supervision and consultation for LCSW and MFT candidates and licensed colleagues in private practice.

1982-1984: ***Preceptor***, University of California Davis School of Medicine, Sacramento, CA. Three preceptor-ships for third-year medical students in pediatric rotation, one academic quarter each.

1982-2015: **Graduate Student Supervision:** Portland State University, School of Social Work, MSW Distance Option/Southern Oregon University: (2012-13, Second-year student; 2014-15 Third-year student); Capella University: Counseling, (2006-07, Final-year student); California

State University, Sacramento, School of Social Work: (1982-83, Second [final]-year student; 1983-84, Second [final]-year student).

1971-1985: **Undergraduate and Volunteer Supervisor:** California State University, Sacramento, School of Social Welfare: 1979-1980, Three students (one semester each); Training and supervision of volunteers for Contra Costa County Health Department; Sacramento County Welfare and Health Departments; University of California, Davis Medical Center, and the Mental Health Network of the Sacramento AIDS Foundation.

Teaching: Continuing Education Unit (CEU) Instruction

Roxanne Rae, LCSW, BCD, Sacramento, CA. and Ashland, OR.
